

Mary Lou Cassisi, born in 1940, in Johnstown, P – A

The beginning of a life that shined brightly every day

Daughter to Catherine and Pete

Her Italian roots ran very deep

She met Joe while serving customers at the Parkway Diner

Her parents were dismayed...That guy!?!?, He's such a whiner

But she stuck with this guy named Joe Kiel

A lifetime love story that was so real

Next she and Joe became part of the Navy

Little did she know, that Joe and his friends were so wild and crazy

Despite the craziness they began to thrive

And Mary Lou knew, that after every party, she would be designated to drive

As the stories grew and grew

People began to realize Joe was married to Saint Mary Lou

It continued with Daughter #1, Kathy, and all the nawty stuff she would do

All to be handled with love by Saint Mary Lou

Daughter #2, Mary Beth, clearly an angel child we soon knew

Could have only been conceived by Saint Mary Lou

Finally a boy, the rambunctious David, many tantrums he threw

All diffused deftly by Saint Mary Lou

Around the world they flew and flew

With friends and family, Joe and Saint Mary Lou

Attention was turned to boats, with many a cruise

With more stories furthering the legend of Saint Mary Lou

Next was Connor, and all the sports he would do

Faithfully cheered on and on by Saint Mary Lou

Kyle was next, and he got the travel bug too

Especially cruises with Joe and Saint Mary Lou

Lucas, wicked smart with cello talents too

Which were so enjoyed by Saint Mary Lou

Watching over us all, like an angel she flew

Which she will continue to do, our sweet Saint Mary Lou
