

COMMUNITY FOUNDATION FOR THE ALLEGHENIES

SERVING BEDFORD, CAMBRIA, SOMERSET, AND INDIANA COUNTIES

Congratulations on Receiving a Grant from the Community Foundation!

The following guidelines are intended to help you publicize your program and our grantmaking. If you have any questions, email Communications Coordinator Namita Gallo at ngallo@cfalleghenies.org.

The Community Foundation publicizes grants and grant stories through local media outreach, social media, and our website. We encourage you to share success stories and photos so we can promote partnerships to make our region a better place. A grant from the Community Foundation is a partnership. Your story is our story. It is also an occasion for the Community Foundation to acknowledge our donors and let them know how their gifts are being used to improve the quality of life in our community. You can publicize our support in a number of ways:

Your Website

If you post a story on your website, link it to the Community Foundation's site (cfalleghenies.org).

Contact Local Media

This is an opportunity to share your organization's accomplishments with our region's media outlets. Contact local news organizations, such as *The Tribune-Democrat*, *Daily American*, *Bedford Gazette*, *Mainline Newspapers*, *WJAC*, *WTAJ*, and *Forever Media*, to let them know about your grant from the Community Foundation for the Alleghenies. We would be happy to provide a sample news release and a quote, if needed. Please reach out to Namita Gallo for those: ngallo@cfalleghenies.org.

Tell Your Community

Share information about your grant through your newsletters, annual reports, lists of supporters, and social media. Link to us on Facebook and Instagram, using the handle @cfallegh. We also love to see images of your grant funding being put to great use and are happy to spread the word!
